**DEPARTMENT C  
VEGETABLES  
Loran Gersztyn 642-9307**

Non-perishable entries will be received Wednesday from 10 a.m. until 8 p.m. September 22. Perishable entries will be received on Thursday, September 23 from 7 until 9 a.m. Please make out your entry blanks and have your exhibit in early. Judging starts at 9 a.m. on Thursday, September 23

**Vegetable entries must contain the amount; number of fruits or number of commercial bunches specified in an entry Lot.**

One individual may make no more than one entry in any Lot. Items of a closely similar form will be considered to be the same Lot. One person may enter only one of the items. Bunches must be banded together. An incorrect number of items will disqualify the entry. In any Lot listed as "Any other variety," more than one entry may be made in that Lot, provided each variety is different and named. An exhibitor must place the letters A, B, C, D, etc. after a Lot Number, for each entry under "Any other variety." If three or more entries are made and named in a Lot by different exhibitors, a new Lot will be added so that exhibits may be judged in their own category. Be sure that the "variety" is written on the exhibitor's tag. When you enter heavy squash, pumpkins and watermelons under Class 19 and the appropriate Lot Number, the heaviest is automatically selected for the Special Awards and no extra entry is necessary. If you know the weight, make a note on the entry tag. The decision of the judge is final in all cases. First place \$3.00 Second place \$2.00.
